

USA Track & Field Ohio Association is pleased to announce the final results of its 2018 Track & Field Grand Prix. The Grand Prix is a highly competitive series of USATF sanctioned meets in the Ohio Association. The 2018 series expanded to six meets that kicked off in Westerville with the Greater Than Invitational on May 6 and concluded with the Queen City Invitational in Cincinnati on July 14.

Through accumulation of points during the season, Grand Prix trophies are awarded to the top three athletes in four female and four male divisions. One athlete is also awarded the Grand Prix Grand Champion Trophy as the top scoring athlete over the course of the series, demonstrating overall dominance and consistency in his or her events.

Congratulations to **Grand Champion Jordaine Austin** of the TCK Elite Track Club and all the Grand Prix prize winners. Jordaine set a new record for total Grand Prix point scored in the Series with 170 points.

Trophies will be awarded to the Grand Champion and the other top-three Grand Prix winners at the Ohio Association meeting at 12:00 p.m. September 23 at Sharon Woods Metro Park - Spring Hollow Lodge - 1069 West Main Street, Westerville, Ohio 43081.
