Subject: 2013 Law & Legislation Report -- USATF Annual Meeting

The Law & Legislation Committee was kept busy at this years (2013) Annual Meeting, as there were 21 articles to adjudicate. The article that drew the most attention was Article 21 – Reg 18. B, awarding championships, as to who has the authority to select championship sites, USATF's CEO and staff or Committee Chairs. There was an agreement between both factions however a couple of USATF's Board members rejected the agreement and took the fight to the floor of the convention. At first they wanted to table the total 2013 package. After much discussion they then decided to reject only Article 21- Reg 18. B. After another discussion period the Article went to a floor vote. Members by majority voted to accept the entire 2013 package. This was the first time in many years an Article was taken to the membership for a vote, usually these things are settled in committee meetings.

Respectfully submitted,
