Subject: 2014 USATF Annual Meeting – Law & Legislation Report

Year 2014 was not the normal cycle for Law & Legislation activity. However there were Bylaw submissions as to the duties of the Board Chair and the President. After much deliberation a compromise was reached regarding Board and Officers duties.

An additional issue also developed as to whether the Membership or the Board of Directors selects the individual to be the representative to the IAAF council. After much discussion an election occur and a candidate was elected. However at a later meeting the Board of Directors exercised their right and appointed another individual.

Due to the conflict regarding the current legislation and the Board appointing someone other than was elected there will more than likely be additional legislation proposed and discussed at the 2015 Annual Meeting, which is a L & L year.
