

**Ohio USATF**  
**Ohio Association**  
**March 22, 2020 Association Meeting**  
**April 19, 2020 Ohio Board Meeting**

The Spring meetings of the Ohio Association were both cancelled due to the Covid-19 Pandemic. Orders from the Governor of Ohio limited the numbers of people that could be together, called social distancing in an attempt to slow the spread of the virus.

The Ohio USATF President, Karen Krsak asked for all reports to be sent to Secretary Terri Tutt and that she would be copied on each report. The reports will be filed by the Secretary. Currently, reports from Officials, (Len Krsak), Youth, (Lloyd Martin), Race Walk (Barbara Hensley), Membership and Sanctions (Brenda Martin) and Financial and the 2020 Budget (Fritz Spielman) have been received. Our Vice President, Patti Mitchell has been sending email blasts to all.

All Spring/Summer events hosted by OhioUSATF have been cancelled, with the exception of a possible USATF Senior Championship in Eugene Oregon in September.

The next meeting of OhioUSATF will be Sunday, September 20, 2020 at Sharon Woods, Spring Hollow Lodge.

There are several items still “on the table” including:

1. Splitting the jobs of Membership and Sanctions.
2. Selection of Alternate Delegates for the 2020 Annual Meeting in Reno.
3. The number of Alternate Delegates and the amount of financial reimbursement available for those selected to attend.
