

## **Organizational Services**

Quite an interesting election year!!!

Stephanie Hightower had an impressive win over Matt Rigby from Colorado. The Committee thought it interesting that Mr. Rigby was not even part of the Colorado delegation ---

Former President Bill Roe, was elected LDR Chair

Ed Gorman -- Men's Track and Field

You have to wonder if Men's Track and Field ever held an election before.

That was one of the Elections - I was assigned to cover.

The Secretary was doing her best to keep order and keep things moving --

But when 30 athletes showed up at 4:00 (4:00 was when the voting was to take place) the voting actually occurred at 5:15 -- To make matters worse there was more than one election - but voters were handed only one ballot --- Oh, yes it was fun

Sue Humphrey -- Women's Track & Field

Thought there was going to be an election but ended up not contested.

Ron Daniel --- Race Walk

Ed Tores ----- Men's LDR

Kim Keenan-Kirkpatrick --- Women's LDR

AAC Officers

Chair -- Jon Drummond

Vice-Chair -- Allen Johnson

Secretary -- Dexter McCloud

Treasurer -- Leslie Higin

Ohio did well --- Karen Krsak re-elected Associations Chair and

Len Krsak re-elected Officials Chair

We're putting a request together about modeling elections the way the Officials Committee does --- Never have so many been elected to so many positions in so short of time ---

The Organizational Services is looking into new procedures for elections ---

## **Women's Track & Field**

Only had one meeting / election

Everyone gave a report read from the report that was already on-line

Election very uneventful -- at the last minute the other person decided not to run.

The 2013 Senior Women Standards are posted on-line; as well as; Qualifying Guidelines for Championships in Non-Olympic Years.
