**Officials Credentials**

Currently waiting on eight (8) credentials to be processed. The delay in receiving processed credentials is due to the fact that the USATF office is shut down due to the COVID-19 virus and as all staff members are working from home.

### **Officials Re-certification 2021-2024 Olympiad**

All officials will have to re-certify with the start of the new Olympiad 2021-2024. Re-certification requirements will be as follows:

Complete 2021-2024 re-certification application

Complete a 2021-2024 rules review

Be compliant with Background Screening

Be compliant with the SafeSport course

Pay certification fee of \$65.00 of which \$20.00 goes to USATF's office and the remainder to pay for clinics, office supplies, etc.

Current plan is to start the re-certification process by October of 2020.

### **2020 Track Season**

All meets canceled and a disappointment for everyone at all levels USATF, NCAA, High School, Major Invitationals & Relays. Hopefully some form of normalcy will occur before for the 2021 season.

Possible Exception -- There is still consideration to hold a USATF 2020 Senior Championship (which was suppose to be the Olympic Trials) this September. As of this date details are still to be determined.

### **Selected USATF Officials For 2020 Championships**

Per recent conversations and discussions, I have had with several individuals all officials selected to work the U20 Championship and the Olympic Trials for 2020 will atomically be assigned to these Championship in 2021 if they still desire to work these meets.

Respectfully Submitted,

Len Krsak
