

Master Track & Field 2019 Annual Report

Willie Bank (Rep. for USAMTF) Worlds Athletic Council

- Announce that grants for \$80,000 will remain for 2020 will be cut in half for 2021 and then to Zero in 2022. This is where some our program project budget is supplement from.
- IGA is trying to take over WMA to incorporate it into there World Games this will be a big fail for Master Track if that happen.

Chris Paskco (USATF) BOD for Masters

- We are the only group that has increased membership in 2019 all other has loss members.
- An proposal to increase membership fees \$55 adults and \$45 18 and under is up for vote this year.
- Master Exhibition Event in Staten Island 60m Dash Indoor 60 plus age group male and female payed out \$100 per participating Athlete had full heats in both age group a total 12.
- Master Exhibition Event in Des Moines 200m Outdoors 50plus age group male and female. It was very hard to fill each heat with everyone just get back from National and NCCWMA. We had 7 womens and only 5 males. The same \$100 was paid out to all participating athlete.
- We voted to have Team Scores for Male and Female as well as combine team scores.
- Now we will be giving all bidder the option to make a two year site bid for our Championship.
- 2022 Lexington, Ky Outdoors Championship (won the bid)
- 2022 Spokane, Wa Indoors Championship (won the bid)
