Allocation of Qualification Slots

The qualification slot is allocated to the NPC not to the individual athlete. In case of a Direct Invitation, the slot is allocated to the individual athlete not to the NPC.

Maximum Quota Allocation per NPC

An NPC can be allocated a maximum of forty-eighty (48) male qualification slots and thirty-two (32) female qualification slots. Exceptions may be granted through the Direct Invitation method. If an NPC is unable to use all of the allocated qualification slots in a given gender, the unused slots cannot be transferred to the other gender. They will be reallocated in the respective gender to other NPCs through the Direct Invitation method.

Athlete Eligibility

To be eligible for entry, an athlete must:

- hold an active IPC Athletics License for the 2015 season;
- have achieved at least one (1) BQS performance at an IPC Athletics Recognised Competition (IPC Competition, IPC Sanctioned Competition, or IPC Athletics Approved Competition) for each of their respective medal events between 1 January 2014 and 14 September 2015 in accordance with the Athlete Licensing Programme Policies valid for the 2014-2015 seasons; or
- have been allocated a Direct Invitation or an Universality Wild Card Invitation

To be eligible to enter a relay event, an athlete must:

- Have entered an individual event.

Athletes with International “New”, “Review” and “Confirmed” sport class status are allowed to enter.

Maximum Entry per NPC

An NPC can enter a maximum of three (3) eligible athletes per Individual medal event provided each athlete has achieved at least a BQS performance in that event.

NPCs can enter a maximum of one (1) team in each relay medal event comprising up to six (6) eligible athletes.

NPCs may enter an eligible athlete in an unlimited number of medal events as long as the athlete has achieved at least a BQS performance in each of these events.

In the event that two or more classes in Field Events have to compete combined following the final entry by name and event viability review (e.g., Shot Put F53/54/55), an NPC may not exceed a maximum of five (5) eligible athletes in a combined medal event. However, per each sport class, a maximum of three (3) eligible athletes can be entered.

Event Viability Criteria

A minimum of five (5) athlete entries from three (3) NPCs is necessary to sustain an individual medal event on the programme. A minimum of five (5) entries from five (5) NPCs is necessary to sustain a relay medal event on the programme.

IPC Athletics shall review the event viability following the close of the final entry on 28 September 2015. In the case an event did not meet the above viability criteria by the final entry based on the Classification Hierarchy Table (Rule 9), IPC Athletics reserve the right to combine such event with other event(s) where appropriate and applicable. In such combined field events, the Raza point system may be used to determine the placings. IPC Athletics also reserve the right to either cancel such events or run them as non-medal events.

In the case the entry number of an event dropped below the aforementioned event viability criteria due to withdrawals after 5 October 2015, the event shall still be run as a Medal Event and the medals will be allocated under the 'minus one' rule.
