

Letter from the President.

August 1, 2014

We have had a great spring in Ohio. Many opportunities to get out and run, jump or throw.

Officials you have done an outstanding job again this year and all of you should be proud of your accomplishments. Our certification chair, Len Krsak has many of the details about your accomplishments so far this year.

I want to thank Scott Rose for keeping up an outstanding website and keep the information coming to him for posting.

Another big thank you goes to Paige Biglin for her outstanding effort in putting together our three LDR Championship events this year. Please everyone take note and get out there and support the events that are supporting us. Information can be found on our Ohio website.

Coaches don't forget to get those background checks completed for your coaches and volunteers who help you out each year. A thank you goes out to all the parents who chip in and give a hand to our dedicated coaches.

Check out our website for those athletes who participated in championships around the country this year and especially those athletes who completed at the World Junior Meet in Eugene, Oregon.

Race Walkers are also looking toward to great events they have available to them in the Ohio Association. Thanks Vince for putting on outstanding events and a calendar worth looking at. Vince has left our association and moved with the family to Chicago last May. We will miss his expertise in Racewalk in our association.

On September 8<sup>th</sup> we will be holding our next meeting of the Ohio Association at Spring Hollow Lodge in Westerville, Ohio. More information will be posted on our website so make sure you attend. We have bylaws changes to vote on, election of officers and set our delegation to the annual meeting.
